

*There are so many different activities your HOA volunteers have prepared for you. It's a lot of value for your membership!*

Looks like Summer is here.

To the many of you that have renewed or joined HOA for 2019, thank you. If you haven't joined or aren't sure, go to [www.tellicolife.org](http://www.tellicolife.org) and follow the prompts.

This year is HOA's 30<sup>th</sup> anniversary. HOA's goals continue to be to deliver membership value by providing engaging social activities, informative venues and outlets to be heard. Please join us on June 20<sup>th</sup> for a very unique General Meeting and again on Aug 8<sup>th</sup> for diner and live music. You can find specifics on [www.tellicolife.org](http://www.tellicolife.org).

**Be Engaged:** A reminder that our Socials now start at 4:30 pm but continue to be on the 2<sup>nd</sup> Tuesday of each month.

We want to be sure you've heard about a necessary minor change in that we are revising our No Refunds After date to be earlier. Many of the venues we use are now requiring final counts and/or deposits earlier. All new events now offered by HOA will have a No Refund (after) date of 30 days prior to the event, unless an earlier date is required for a special booking event. Thank you for your support of this minor change.

There are so many fun activities to sign up for including cornhole tournaments, train rides, overnights in Georgia or Virginia, many theater events, bowling, Smokies baseball games, cooking classes, raft-off's and more. And there are weekly golf scrambles, wine groups, dining out events, in-home gourmet diners (think wine pairings), in-home dinners and cocktails and games groups. And the Fall color cruise of New England & Canada still has a few openings. Whew, that's a lot to choose from!

**Be Informed:** We've got a great General Meeting on May 23<sup>rd</sup> with Winston Blazer updating us on 'hot topics', TVA explain how they do dam & water management and part 2 of Cyber Security.

Another very informative Welcome Orientation will be held on May 16<sup>th</sup>.

**Be Heard:** The new Highway Safety Committee is advocating for specific road improvements for our Village. We hope to provide an update late this month.

So many of you have shared positive comments about the new lunch and brunch at the Yacht Club. A reminder that this will need our support to become permanent.

Let's go out & enjoy this sunshine
