

The Homeowners Association is a volunteer membership organization founded in 1989. At the June 20th General Meeting we celebrate our 30 years of history, please join us. HOA is a lot of value for you're your membership!

Looks like Summer is here a little early this year.

As many know, one of our HOA leadership team, Bill Bazil, suffered a heart attack and as I write this is still in critical care. Please include him and Laurie in your prayers.

This year is HOA's 30th anniversary. Please join us on June 20th for a very unique General Meeting and again on Aug 8th for diner and live music. You can find specifics on www.tellicolife.org.

Be Engaged: A reminder that our Socials now start at 4:30 pm but continue to be on the 2nd Tuesday of each month.

Your Event Coordinators have many different fun activities to sign up for! Remember if you can't make it to a social you can always sign up online at www.tellicolife.org. There's still availability on the September Fall Colors cruise of New England and Canada. There's train rides, overnights in Georgia and Virginia, many theater events, bowling, cooking classes, raft-off's and more. And you can also sign up for weekly golf scrambles, wine groups, dining out events, in-home gourmet diners (think food-wine pairings), in-home dinners plus cocktails and games groups. Whew, that's a lot to choose from!

Be Informed: We've got a different General Meeting on June 20th with a look back at our 30 year history and you'll meet some of our the "Village Pioneers".

Another very informative Welcome Orientation will be held on July 18th. Please encourage those new to the Village to attend.

Be Heard: The Highway Safety Committee is a great example of how HOA advocates on behalf of the Village. The Committee recently identified and tagged fallen or ready to fall trees along the entire length of the RT 444 to assist TDOT crews in finding and removing these. This volunteer exercise by the Highway Safety Committee is an extension of their role to liaison with TDOT in order to have and maintain for Tellico Village residents a safe and attractive State highway infrastructure through our community. Later this month they'll tape a Tellico Village Broadcasting piece with a TDOT representative explaining their practice of "vertical mowing". Look for updates on www.hoatv.org.

To the many of you that have renewed or joined HOA for 2019, thank you. If you haven't joined or aren't sure, go to www.tellicolife.org and follow the prompts.

Let's go out and enjoy this sunshine
