

The Homeowners Association is a volunteer membership organization founded in 1989. In this, our 30th year, we want to acknowledge the many volunteers that have made the HOA the great volunteer organization it is. Thank you! HOA continues to provide a lot of value for your membership!

Like every year in Tellico Village, the summer comes to us in a big way. And, that's especially true with the events the HOA is offering this summer!

HOA's goals continue to be to deliver membership value by providing engaging social activities, informative venues and outlets to be heard.

Be Engaged: HOA Socials start at 4:30 pm on the 2nd Tues-day of every month. Last month, the Tellico Village Singers did a flash mob; so, you never know what's next! The popular Trivia Challenge and EG Kight are back as events. We also have glow golf, wine appreciation classes (with tastings), a unique artistic experience of Light Your Day on Fire, a spectacular line up of new theater events, many dining out options, Scopes Monkey Trial in Dayton, and a tour of Schokolad chocolate (with tastings) and a mystery trip scheduled for September to mention just a few. If you can't make a social you can always check out (and register for) the different activities on www.tellicolife.org.

Be Informed: Another very informative Welcome Orientation will be held on July 18th. Please encourage those new to the Village to attend.

The Highway Safety Committee has been very busy this summer meeting with local politicians regarding safety improvements for the Niles Ferry Road and State Route 411 intersection, attending the Lenoir City TDOT Construction Progress meetings for Highway 321 improvements, expressing our displeasure with the lack of progress on the Highway 11/321 intersection, and identifying trees along 444 that had fallen or were in immediate danger of falling so that TDOT crews could remove. And in August, seven streetlights are scheduled to be installed at the inter-section of Tellico Parkway and State Route 72. Thank you Henry Cullen for your assistance in getting these lights to improve road safety.

An early reminder that the POA Candidates Forum will be the focus of the October General Meeting.

Be Heard: In September, the HOA will launch "The HOA Voice" as its newly branded and timely communication vehicle.

We know we are blessed to live in a place as safe as Tellico Village. But, to many of us, home security products provide additional peace of mind. Please complete the Neighborhood Watch Security Survey so that other Villagers can learn from your experiences

Whew! HOA provides a lot of value for your membership! To the many of you who have renewed your membership or joined HOA for 2019, thank you. If you haven't joined or aren't sure, go to www.tellicolife.org and follow the prompts.

Let's go out and enjoy this sunshine
