

HOA continues to provide a lot of value for your membership! We couldn't do it without the many volunteers that make HOA the great volunteer organization it is!

HOA's goals continue to be to deliver membership value by providing engaging social activities, informative venues and outlets to be heard.

Be Engaged: HOA Socials continue to have great attendance. If you haven't been in a while, come check us out on September 10th, starting at 4:30 pm. You won't be disappointed, your Event Coordinators keep getting more and more creative! And it's not too early to book holiday events, the HOA Holiday Gala, and many others, will be offered for sign up at the September social, it fills up quickly!

For select events you can now pick up your tickets at the Tellico Village Library during their open hours. We've already gotten feedback that it's easier and more convenient.

If you can't make a social you can always check out (and register for) the different activities on www.tellicolife.org.

Be Informed: The latest HOA Highlights & Happenings episode features an update from Linda Farruggia about the upcoming Tellico Villagers Got Talent event. You can register to be a performer or the audience on TellicoLife.

The August Coffee with a Cop sessions featured home security options with participation by representatives from the Loudon & Monroe local Sherriff offices. Attendees were pleased with the thoroughness and thoughtfulness of the materials which are now available at HOATV.org > HOA news > Neighborhood Watch. More materials will be available

on the website in September and workshops will also be offered in September. Specifics can be found on TellicoLife.

Updates from your Highway Safety Committee include that the contractor for street lights at 72/444 expects to start in a few weeks and also that a request for a spot safety study at 411 & Niles Ferry Road has been submitted to TDOT by State Representative Lowell Russel, Mayor Bob Lovingood and Ed Wilson. Hopefully this will result in a traffic light at that intersection.

The next Welcome Orientation is September 19th, please let those new to the Village know about this great service. Specifics can be found on TellicoLife.

We'll be rescheduling the previously announced Oct 17th POA Candidates Forum since at least one potential candidate can't make it. Applications close on September 6th, soon after that we'll advise a date.

Be Heard: In September, the HOA will launch "The HOA Voice" email as its newly branded, timely and easier to find what you're looking for communication vehicle.

Our Neighborhood Watch lead has analyzed your inputs to the home security survey. Most of the respondents spent \$1000 as many of the installations were DIY. Thanks to those who shared their experiences. Survey results are available on the HOA website.

To the many of you who have renewed your membership or joined HOA for 2019, thank you. If you haven't joined or aren't sure, go to www.tellicolife.org and follow the prompts.

Let's go out and enjoy this sunshine
