

President's Message

Happy New Year Everyone! I'm pleased to report that your 2020 HOA Board has been busy planning a year full of events and activities that will get off to a fast start in January.

To keep you busy and forget about the cold weather, our Event Planning VP Jack McElligott and the Social Committee have crafted a full schedule of Jan activities you'll want to explore. Several are available right now on the HOA event calendar on Tellico Life. Then join us at the first Social of the year on Tues. January 14th to learn about additional activities or just mingle with others. Plus our VP of Social Planning Steve Turkewitz will have an interesting program including some great raffle prizes we'll be giving away to attendees. An excellent New Year's resolution is to not miss any of the HOA Socials during this coming year - so mark your calendar now for Jan 14th - you won't want to miss it.

Now would be a good time (if you haven't done so already) to make sure you have renewed your HOA membership for 2020. Check out the details below. We are having a membership drive with a prize for someone who joins/renews from October 1st to December 31st.

On Thursday, January 23rd, we will be holding our first General Meeting of the year at the Community Church from 4 – 6pm. Your VP Programs Dennis Dougherty has planned a very informative meeting – the subject will be the “State of the Village” and will include timely updates by the POA and a presentation by the Long Range Planning Advisory Committee.

I'm also pleased to report that Mark Pantley has been busy in the newly established position of Vice President Advocacy exploring advocacy strategies for our HOA members to “Be Engaged. Be Informed. Be Heard” and provide positive benefits for all residents / homeowners. Much more to come regarding this in the months to come as our plans become more defined.

Please continue to watch your ‘in-boxes’ for HOA Voice updates throughout the year – 2020 will be a great year to be an HOA member!

Ken Litke, HOA President
