## HOA Voice of the Village

### December President's Message

#### Ken Litke

At the Nov 9<sup>th</sup> Special Meeting the 2022 HOA Board of Directors were elected by the membership and will take office beginning in January. After serving the last two years as President, I'll be turning over the reins to Mark Pantley so this will be my very last message as HOA President.

It's truly been an honor serving the membership and working with all the many HOA volunteers. Suffice to say the last two years proved challenging with the pandemic adversely impacting HOA activities. I'm extremely proud of how the HOA team came together and found ways to keep our members safe as possible like moving events outdoors and utilizing "live-streaming". And while we would have preferred in person meetings, we learned to become "Zoom" experts!

As we approach year end, it's been an HOA tradition to thank all the volunteers who helped the HOA in some manner during the year. There were over 175 individuals involved this past year and we'll be honoring them at our "Volunteer Recognition Night" Social on Dec 14<sup>th</sup>. We've got some special things planned for our volunteers and attendees so keep watching for further information on this meeting to acknowledge and thank our fabulous 2021 volunteers!

In addition to the "Volunteer Recognition Night", HOA has scheduled other social activities for December which include the HOA Gala and the lighting of the Community Christmas tree. So please watch for and read the HOA Social Invite email or go online with TellicoLife.

Wishing all of you a wonderful Holiday season!
