HOA Voice of the Village

President's Message

Happy New Year!

When you hear it, you can't help but think what a great and happy sound this greeting is! Full of hope and promise for the coming year, it highlights the opportunity to start fresh and clean. For HOA it offers the promise of more fun events and the chance to spend time with friends and neighbors while doing them. Clearly one of the real benefits of living in a place like Tellico Village is the connections we all make with each other and the support we give each other. It's only by the involvement of all of us that

Tellico Village works properly. HOA activities and events provide ways to enjoy common experiences and have some fun at the same time. I'd like to encourage you to get involved – attend an event, do a new (or old!) activity, and most important of all – have fun in 2022!

The January Social is on Tuesday, the 11th at the Yacht Club, starting at 5pm. There will be music, review of upcoming events, prizes, and a fun time with your friends and neighbors. This is a perfect event to invite your new neighbors to (we all have them!).

There will be an Open Village Meeting at the Community Church on January 20 starting at 4pm. Our theme is "State of the Village" and it will include a presentation by the POA, reviewing their 2021 accomplishments and discussing their plans for 2022. We will also be presenting new programs that HOA is sponsoring. Our A&E (Aesthetics and Environment) Committee will be providing information on the TN Smart Yards program and Neighborhood Watch will be discussing their plans to improve safety and security in the village.

Also on January 20, starting at 6:30pm at the Yacht Club, we will be holding our first Welcome Orientation for the year. The openings fill up quickly, so don't delay signing up on TellicoLife for this event.

Welcome to 2022! It's going to be a great year here in Tellico Village!
