Your Voice in the Village

“Change”. The word itself can make us uncomfortable. “Why do things keep changing - why can’t they remain as they were?”, you may think. Yet some changes can be welcome – the arrival of Spring; improving health, resolution of a longstanding issue, and gaining new friends are examples of positive change. Other changes like the construction of new houses in the village, increased traffic, and the ever-increasing pace of life contribute to our sense of losing control and are not so welcome.

I think we have a choice in how we react to change. We can close ourselves off and try to minimize the impact of change in our lives, or we can embrace change and get involved as a force for good. Last year I wrote a short article about the importance of volunteerism, and I think those thoughts are just as true today. You can find the earlier article at this link: <http://www.hoatellivillage.com/2021/05/24/advocacy-june-2021/>. I want to encourage you to get involved in something you care about. You will benefit your community and yourself as well.

The primary elections are on May 3 and early voting is currently underway. Please make your vote count by taking the time to vote. HOA has sponsored Candidate Forums for both Loudon and Monroe counties. If you were not able to attend, recordings of both sessions are available on TVN for viewing. We want you to not only vote, but to also be an informed voter.

Our next monthly HOA Social will be on May 10 at the Yacht Club and includes a Mexican buffet. If you want to participate in the buffet, please sign up on [TellicoLife](#). There will be live music, prizes, and a fun time with your new and old friends.

HOA Litter Angels held two separate clean-up events April, with more planned in the future. If you’re interested in helping with this, a good first step is to join the “HOA Litter Angels” group on [NextDoor](#). Please contact Annie LaCour if you have any questions about HOA Litter Angels.

Activities related to A&E are focused primarily on education, with regular articles in the monthly HOA Voice. The A&E committee is still in the process of being formed. If you have an interest in the environment and aesthetics of Tellico Village, please contact Jim Hawkey, the committee Chair, for more information.

The Highway Safety Committee is working with TDOT to improve safety along Highway 444. Ensuring that downed trees (from storms) are cleaned up is a top priority at the moment.

Neighborhood Watch is planning a village-wide meeting at the Yacht Club on May 24, 5:30-7pm. Please plan to attend and learn about the recent changes to the NW program.

If you have not yet renewed your HOA membership for 2022, please do so now. We don’t want to lose you! With your credit card “in hand”, just click on this link: [Join HOA](#) to renew (or you can mail payment to HOA c/o TV Public

Library, 300 Irene Dr, Loudon TN 37774). If you don't plan to renew, please let us know why by sending an e-mail to: HOA.TellicoVillage.Membership@gmail.com.

Spring is here! Change is good! Embrace it!

HOA ADVOCACY UPDATES

Election News

Loudon County and Monroe County residents had the opportunity to meet candidates running in the upcoming Republican and Democratic Primaries during the HOA hosted 'State of the County' Candidate Forums. These events took place April 7th for Loudon County and April 18th for Monroe County.

For Loudon County, in attendance was Jimmy Davis, Marty Ward and Paul Curtis for Sheriff, along with Billy Pickel and Sean Giles for Road Superintendent.

For Monroe County, we hosted Mitch Ingram and Richard Kirkland for Mayor, Chasen Curtis and Paulette Summey for District 4 Commissioner, and Tommy Jones and Randy White for Sheriff.

Candidates were able to share their background and credentials with the audience and answered questions pertinent to their position. After the session, attendees were able to meet the candidates and engage in further discussion around what each candidate brings to Tellico Village.

Both sessions were broadcast live via the Tellico Village Network. Replay of these sessions can be found on the Tellico Village Network. Click [here](#) to view.

Litter Angels

HOA Litter Angels News: Thanks to HOA Litter Angels Chair, Annie LaCour, and almost 50 Tellico Village residents, highway 444 never looked so good! After ensuring all volunteers had completed the necessary HOA & TDOT training and liability forms, participants teamed up with a partner and headed to their assigned clean up area. Volunteers collected over 60 bags of trash and made a huge impact on the appearance of our community. Thank you to all who participated! To participate in the next clean up and learn more about this group, join the HOA Little Angles Group on NextDoor at: https://nextdoor.com/g/wtq8h57lc/?is=groups_section
